

Instructions and Player Recording Page

Game Name: Numeracy

Write Player(s) Name(s) here:

Instructions:

Find the card shown on the right and place it on the Mathinoes Board where it says "Place any card here".

(Ignore the '41 cm'. It is actually the answer to the very last question).

Now find the card which has the answer to the question shown.

When found, place that card on the Board where it says "Card 2".

Write that answer in the box below where it says "Answer 2".

Then find the card which has the answer to that card and continue on in this manner until all cards are correctly placed on the Board and all answers are written into the boxes below.
